

AFF LUMINARIES

Shine your light

The AFF Luminaries giving circle is a unique way to support the expansive work of the Adelaide Film Festival. We invite you to play a central role in our mission, helping us to deliver memorable film experiences which inspire curiosity, entertain, unveil new screen stories, and reveal our shared humanity.

In recognition of your meaningful contribution, benefactors enjoy a range of exclusive benefits. AFF Luminaries will be offered opportunities throughout the year to attend special events, bringing you closer to your fellow supporters along with the Festival CEO & Creative Director, filmmakers, artists, jurists and invited industry guests who make the festival possible.

Your generous support will help Adelaide Film Festival to nurture Australian screen work and talent, push the boundaries of what is possible in the screen arts and to grow screen culture in South Australia.

We would love you to be involved in this community of supporters by becoming an AFF Luminary.

Donations to join AFF Luminaries begin at \$5,000 per year and are tax-deductible less \$450 for exclusive benefits received.

AFF Luminaries will enjoy access to special events during the festival and year-round including:

- Invitations to attend the exclusive AFF Luminaries Welcome Lunch
- Tickets to the Opening Night Gala
- Access to other special events
- Reserved VIP cinema seating
- Advance festival sales period
- 10% ticket discount
- Acknowledgement as an AFF Luminary in the AFF Program, on screen and online

For any enquiries, or to make your donation over the phone, please call the Development & Partnerships team on (08) 8394 2505.
